NOV 15 2010

OFFICE OF POLICY DEVELOPMENT  
AND RESEARCH

Andrew Bowden  
Spectrum Enterprises  
545 Shore Road  
Cape Elizabeth, ME 04107-1010

Dear Mr. Bowden:

I would like to thank Spectrum Enterprises for its work in helping your clients comply with the Congressionally-mandated Low-Income Housing Tax Credit (LIHTC) data collection. This data collection will provide important information to Congress and the public on the tax credit program and the tenants it serves. Your cooperation and diligence has helped ensure that this data collection will be successful.

Please accept this letter as a certified receipt of the required tenant and property data submissions for the following state housing finance agencies:

- Connecticut Housing Finance Authority
- Hawaii Housing Finance and Development Corporation
- Maryland Department of Housing and Community Development
- Massachusetts Department of Housing and Community Development
- Virgin Islands Housing Finance Authority
- West Virginia Housing Development Fund
- Wyoming Community Development Authority

The final tenant and property data submissions for these agencies were received and successfully validated on November 2, 2010. This fully satisfies their data submission requirements under this congressionally-mandated data collection for 2010.

Finally, I would like to commend you on the timeliness of these submissions. Although many states understandably requested an extension to submit their data, we are pleased that you were able to complete your testing and submit the final files within the expected timeframe.

We look forward to continuing to work with you in the subsequent rounds of this data collection. Once again, thank you for your hard work in making this data collection a success.

Sincerely,

Kurt G. Usowski  
Deputy Assistant Secretary  
for Economic Affairs
